## BAY CITY JUNIOR COLLEGE ALMA MATER

GENE MOSSNER—H. R. EVANS

1. Near the rolling wide Bay Waters, finest ever seen,
   Lies Bay City Junior College, Campus bright and green,
   Here together, striving ever, happy years we spend,
   And when parting leave behind us, college days and friends.

2. Alma Mater, Alma Mater, thus we sing to thee:
   May this college stand forever in its majesty:
   May her honor and her glory live in memory.
   Hail to thee, our loving Mother, Hail! All Hail to thee!

## GENERAL INFORMATION

### HISTORY

Bay City Junior College was established in 1922 by the Bay City Board of Education for the purpose of making the first two years of college more easily available to high school graduates of this area. As the college expanded, the residents of Bay, Saginaw, and Midland counties voted in 1957 to establish a Community College District and in 1958 voted funds for a new college. When the Tri-County College opens, Bay City Junior College will be absorbed by the new institution.

### ACCREDITATION

Bay City Junior College is fully credited by the North Central Association of Colleges and Secondary Schools and by the Michigan Commission on College Accrediation. Junior College students graduating from transfer curricula receive full credit for work done at the Junior College provided their grades are of a quality of C or better.

### PURPOSE

Bay City Junior College exists for the purpose of providing an educational program beyond the high school level which prepares its students for the responsibilities of citizenship and which offers opportunities for continuing education for all residents of the area. The specific purposes of the college are as follows:

1. To provide two years of college instruction for those planning to transfer to other colleges.
2. To provide two years of general education beyond the high school level for those who wish further education for personal development.
3. To provide one and two-year business, technical, and semi-professional programs for those who wish employment at the conclusion of their Junior College training.
4. To provide courses of programs which meet the cultural, professional, and vocational needs of the adults in the community.
5. To co-operate with other departments of the school system and with individuals, civic groups, and other institutions of higher learning in making available educational opportunities for the community.

### ADVANTAGES

Bay City Junior College offers many advantages to its students.

1. EXCELLENT ACADEMIC TTRAINING — Excellent instruction on the freshman and sophomore levels gives a good background for further college work.

2. TECHNICAL TRAINING — The student may receive vocational training on a level beyond that found in high school.

3. PERSONAL INSTRUCTION AND COUNSELING — The student may secure assistance outside the classroom from his instructors. His adviser and the deans of the college also are available to assist him. A testing program gives the student information which is helpful to him in choosing a career.

4. PARTICIPATION IN STUDENT ACTIVITIES — A comparatively small college gives opportunity for students to take part in extra-curricular activities.

5. LOW EXPENSES — The Community College is a democratic concept, for it makes available higher education regardless of the student's financial status.

6. CONTINUING EDUCATION — Where attendance is impossible in the Day College, education may be continued in the Evening College.

## EDUCATIONAL GRANTS

### FOR STUDENTS ATTENDING JUNIOR COLLEGE

A number of educational grants are available to Junior College students. The amounts of the grants vary, but in general twenty-five to thirty dollars each semester is awarded toward tuition payments. These are awarded primarily on the basis of need, along with satisfactory academic records. Each grant is made for one semester, renewable the following semester provided the student has maintained a satisfactory record.

Applicants for Educational Grants should contact the Chairman of the Scholarship Committee of Junior College or the Dean of the College. Application blansk also may be secured through high schools of the area. No application for financial assistance is given consideration until application for admission to the College has been completed.

### SCHOLARSHIPS FOR JUNIOR COLLEGE GRADUATES

Many scholarships are available for Junior College graduates. Among these are: Michigan State Board of Education; University of Michigan; Michigan State University; Michigan College of Mining and Technology; Wayne State University, and many others. Consult the Bay City Junior College Catalogue, page 14. Also watch the daily bulletin for additional information.

### ACTIVITIES

Because of the relatively small size of the College, participation in activities is made possible for all. In addition to convocations, roller-skating parties, open houses, and other student events, the College sponsors many organizations, including: Student Council, Student Social Com-

mittee, Publications, Women's League (for all college women), Women's Recreation Association, Men's Union( for all college men), Business Administration Club, Engineers' Club Tetra Sci Club (for science students), Psychology Club, Lettermen's Club, Veterans' Club, Ski Club, Student Christian Fellowship, Newman Club, Political Science Club, Circle K (affiliated with Kiwanis International), County Normal Club, Journalism Club, Choir, Debate, Phi Theta Kappa (national honor society), and intercollegiate and intramural athletics.

## REGULATIONS

### CONDUCT OF STUDENTS

It is essential that those who enroll in Bay City Junior College realize that their success rests on their own efforts and attitude and that attendance at the College is a privilege and not a right. College students are considered to have reached the age of responsibility and discretion. Their conduct shall be that of responsible citizens.

### ATTENDANCE POLICY

1. Attendance is expected at all classes. There is no system of cuts.
2. Courtesy demands that students explain the reasons for their absences to their instructors.
3. It is the responsibility of students to make definite arrangements for all work before going on field trips or other school-sponsored events.
4. Any student whose absences from any class exced the number of times that class meets weekly shall stand suspended from that class. The instructor may, at his discretion, admit the student to one additional meeting of the class.
5. A daily record of all absences will be maintained by all instructors.
6. The absences of each student will be reported to the administration.
7. Whenever the number of absences of a student become detrimental to his progress in class, as determined by the instructor, the student will be referred to a counselor by the instructor.
8. If further absences occur or if the student does not present satisfactory evidence of getting in contact with a counselor, the student may be dropped from the class at the discretion of the instructor.

### RESIDENCE POLICY FOR WOMEN

All college women who are not living with relatives are required to live in residences which have the approval of the College. College women not living with relatives may not change residence during the college year without the permission of the Dean of Women.

## GRADE REQUIREMENTS FOR ACTIVITIES

Students with a semester grade average of less than C (2.0) may not accept offices or major chairmanships the following semester.

## ACADEMIC PROBATION

1. There is no academic probation for admission of students who come to Bay City Junior College without having first attended some other college.
2. Any student whose cumulative grade point average at the end of any semester falls below 1.5, or any student who transfers from another institution with a cumulative grade point average of less than 1.5 shall be placed on probation. Probation may not be lifted until the cumulative grade point average becomes 1.5 or higher.
3. Withdrawal for academic deficiency; any student who is on probation and who fails to earn during the following semester a grade point average of 1.5 for that semester shall be asked to withdraw from the college.
4. Re-admission after withdrawal for academic deficiency: a student who has been asked to withdraw because of academic deficiency may apply for re-admission after the lapse of one semester. If he is re-admitted, this student will be admitted on probation.

## CHANGE OF SCHEDULE

1. Students who wish to change their elections in any way whatsoever must secure permission and the proper forms from the Dean of Men or the Dean of Women. These written requests must then be approved and signed by the adviser and instructors concerned before being filed in the Registrar's office.
2. The last date for entrance into a course is the last day of the second week of the college semester.
3. Courses dropped before the completion of the fourth week of the semester will be recorded as "dropped".
4. Courses dropped after the fourth week of the semester will be recorded as dropped, with a letter grade and the notation "no credit".
5. Courses dropped within four weeks of the end of the semester will be recorded as failed.

## WITHDRAWAL FROM COLLEGE

To withdraw from college the student must secure a withdrawal slip from the Dean of Men or the Dean of Women. Records for students withdrawing are handled as explained above.

## CLASS LOAD

No student may elect more than 17 hours (not including physical education) without special permission from one of the Deans. He must have earned a grade point average of C+ (2.5) or better during the previous college semester or during the last semester in high school, depending upon which was more recent.

## RECOMMENDATIONS FOR TRANSFER

In order to receive the recommendation of Bay City Junior College to a senior college, a student must have at least an average grade of C. For some senior colleges a grade of B or better is required. Grades of D are not transferable.

## TRANSCRIPTS OF CREDITS

Students wishing transcripts of records should make requests a week in advance of the time they are needed. No transcripts will be made out during the registration period.

Transcripts of credits for purposes of transfer are sent directly to the institutions designated by the student. Transcripts are not official unless they bear the college seal.

A transcript will be issued only after the student has fulfilled all of his financial obligations to the College.

## COLLEGE SUCCESS

The Bay City Junior College faculty believes that all students should show academic accomplishment if they are to remain in college. Students showing unsatisfactory progress are placed on probation. If the record continues to be unsatisfactory, the student is asked to withdraw from college.

While the faculty wishes to assist the student in every way possible by individual help and counseling, the student must take the responsibility for his ultimate success. Absences from class and too heavy work programs inevitably lower academic accomplishment.

The College program is planned to occupy fully the student's time. The student must face realistically his own abilities and limitations and arrange his total schedule accordingly. If it is necessary for him to work more than ten or twelve hours weekly in addition to carrying a college program, he should reduce his academic load proportionately.

## HONORS AND HONOR SOCIETY

Each semester there is a Dean's list containing the names of all students who have an average of B+ (3.5) or better.

Graduates who are in the upper ten per cent of the class are honored at the Annual Honors Convocation and at Commencement.

Bay City Junior College has a chapter of Phi Theta Kappa, National Junior College Honor Society. To be eligible for membership a student must (1) carry at least fifteen hours of credit, twelve of which are transferable to other colleges, (2) be in the upper ten per cent of his class, (3) have a B average. Members are selected on the basis of scholarships, character, and leadership.

## ATTENDANCE AT CONVOCATIONS

1. Attendance at all announced convocations is required of all students who have been assigned seats. A chart of the auditorium has been prepared. Names of all students have been entered on this chart.

2. One unexcused absence of each semester will be allowed without action. Two unexcused absences each semester will result in probation. Three unexcused absences may result in cancelling of enrollment, regardless of the time during the semester such absence occurs.

3. Convocations are a part of the educational program of the college. There will be one every two or three weeks.

## RULES REGARDING USE OF ALCOHOL

The use of alcoholic beverages is forbidden at any and all school functions. This is firmly based upon the laws of the State of Michigan as they relate to public schools and to minors. We are a public school, and the majority of our students are minors — hence regardless of your age this rule must be followed. What you do in your home, or on non-school sponsored dates or parties is your own business. But please remember this rule — going to — attending — or coming from — school events. This also applies to guests you bring with you.

## RULES REGARDING SMOKING

Smoking is forbidden in the school buildings and on the campus of the high school. Here again, this is based upon school law and state law, and is primarily a rule of safety. This does not apply to school functions held outside the school building. Also, we are in close contact with high school students and should govern ourselves accordingly.

## STUDENT DRESS

Because of our close contact with the high school, students are requested to refrain from the use of other than normal street dress during class hours.
